

**STEVEN SEWELL**  
building bridges of hope

I am trusted by community and non-profit companies, health-care organizations, small to large size businesses, schools, and churches to deliver keynote presentations, workshops, and training. My unique style of professional and relational development combined with motivation and inspirational story-telling is a valuable experience.

Motivational & Inspirational Speaking

Grief & Bereavement Education

Loss and Life Coaching

Counseling

### My most requested presentations:

- Conquering Conflicts - Managing conflicts and transitions
- Self-Care - I love my job but its killing me!
- Customer Service Series - You are a bridge of hope and loyalty
- Banish Sales Burnout - Taking care of you and your customers
- Influence - The most important thing you do
- At A Loss - Encouraging others when they are suffering, going through loss and adversity
- Finding Hope - Helping advocates help children and teens find their smile during grief, loss, and adversity
- Good Company = A Good Company - Identifying the most important factors of a great organization
- Grief and Bereavement Training
- The Desperation of Suicide
- Blurred Boundaries - Discovering a healthy work-life balance

### Benefits from having me at your next conference:

- A high margin of productivity, employee engagement, & retention
- Team members appreciation and respect for company values
- Team members becoming more authentic
- A feeling of satisfaction, encouragement, and care for members
